FORMER BARKEREND TRAINING CENTRE, BARKEREND ROAD, BRADFORD, BD3 9BD

Location

The property is situated around ½ a mile to the north east of Bradford City Centre. It is immediately off the city's inner ring road. Barkerend Road also connects with the city's outer ring road.

The immediate surroundings are essentially commercial and industrial in nature. The city centre and its amenities including bus and rail stations is within reasonable walking distance.

Description

The property comprises a detached industrial building of steel portal frame construction with a mix of block, stone and profiled metal sheet to the elevations along with a profiled metal sheet roof covering. Accommodation is planned across ground floor only and split level in nature. It comprises workshop/storage accommodation with a series of internal offices/training rooms. The property has been used as a training centre previously. Male, female and accessible wc facilities are incorporated. Working heights are 16'4 to 19'6.

Externally there are 6 carparking spaces. The design of the building is such that an element of the ground floor accessible via a roller shutter access door could readily be used as an internal loading area/car park.
